Enjoy the Adventurous Tour to Himachal by Von Miller

Article published on May 5th 2012 | Vacations

Tour to Himachal is one of its kinds. You will find everything possible here right from snow covered mountains, beautiful and refreshing rivers, meadows, exotic flora and fauna, lush greenery and popular attractions that will captivate you and leave a mark in your memory forever. There is even a lot of scope of adventure travel in Himachal which has various rivers and lakes and mountains to offer options of para gliding, mountain climbing, trekking, cycling, water rafting, etc. No doubt so many tourists flock Himachal in large numbers especially during summers and festive seasons.

Tour to Himachal encompasses some of the most exotic hill stations that are very popular amongst the tourists. These hill stations bring the visitors close to nature and forget all their worries and stress back home. There are lot many places to visit in Himachal that include Shimla, Manali, Dharamshala, Palampur, Kufri, Chamba, Solan, Chail etc. All these places have some really interesting things to do that make your stay a memorable one. There are monasteries in these hill stations, churches, temples, snow falls, rivers and a lot of lazing around, which takes adventure travel to greater heights. Their culture is colorful which another attraction is for people who visit these places.

If you are not interested to doing only sightseeing of these places and want to explore every part of Himachal, adventure travel is the option. You can camp from Manali to Shimla or from Shimla to Kufri. Trekking is very popular amongst adventure sports here and many school and college students would often be traced trekking or cycling here.

Tour to Himachal is incomplete without witnessing the popular festivals of these places. Dusshehra is a very popular festival which is celebrated with lot of show and pomp in Shimla and Manali. This is the best time in fact to travel a Tour to Himachal when the weather is just perfect and the place has to offer a lot in terms of adventure travel.

Himachal Pradesh is rightly called the most beautiful place in India. It has a unique charm to itself. The beautiful past of these hill stations in Himachal also have many stories to tell about the British rule and colonial powers. The churches made during the time of British still stand tall here. to add more attraction to tour to Himachal are the beautiful resorts and hotels that leave no stone unturned to offer heartwarming
