Article published on March 12th 2012 | Vacations

Flycatchers Tours & Travels Pvt Ltd is an establishing tour company located at Kochi, Kerala. We handle individual travelers & groups from all over the world. We are aiming to a sustainable growth by providing best of services in tourism industry and committed to maintaining the ethical values of the industry. We largely concentrate on domestic and international tour arrangements, corporate travel management, meetings, incentives, events, air/train ticket bookings and car hire services for all modes to any sectors in the world.

We are focusing to providing round the clock attention to smaller, more exclusive tour packages enabling the clients of these intimate groups to receive personal attention from the travel hosts. We are blessed with a highly qualified, experienced and dynamic team who are dedicated to provide best services available with us. The employees are experienced travelers and travel professionals who are knowledgeable, capable and passionate about the services and offer.

Our Mission

To provide unique, ever memorable tour and travel experiences, for a niche market of discriminating clients, which results in their satisfaction, evidenced by repeat bookings as well as favorable word-of-mouth comments. We seek to distinguish our self as a specialist in the tour and travel scenario and to be recognized for offering exceptional service and anticipating the needs and desires of our clients.

Value Proposition

The value proposition of our Travel Group comes from the personal knowledge and love of travel of its founders and employees. They are confident of their ability to meet the needs of their customers because they share the enthusiasm of the clients for the travel experience they offer. Their exposure translates into confidence for the client and we believe it is the key for developing a long-term, trustworthy relationship.

Our Services

Service is not just a word for us. It is a commitment to our valuable clients, to the existing industry and finally to our organization in order to establish ourselves as best in the industry. There are no other alternatives we propose other than giving a dedicative, sincere and honest effort to render our services reasonable, cost effective and competitive in the market.
