A luxurious stay is what you need when you head to a different city be it for work purpose or for personal enjoyment. If your stay is not comfortable then your entire stay at the city goes for a toss. When companies arrange for the stay of their employees to a different city, there major cause of worry is the accommodation and that too quality accommodation is what they want in a different city. What we all look for is a comfortable, luxurious and yet a cheap stay in the hotels rather than choosing the five star hotels which will be quite expensive.

Pune of late has become the hub of all the IT, manufacturing and Telecom sectors and it offers many tourists a chance to travel for different reasons like fun, exploration and even mediation. You can choose various hotels in Pune or the service apartments in Pune that are offered by many companies and they are easily available in all the major cities too. Hotels in Pune cater to all the needs of the customers and they cater to a huge sector of people and offer them a comfortable hotel stay.

The service apartments offer great opportunities for a relaxing and comfortable stay for the various people who have come for different work related issues. There may be businessman, corporates or plain tourists who would have come to enjoy their stay and explore the city. It would prove to be a better option rather than staying in a hotel room for the longer projects one could now rather stay in the hotels that will offer you a five star treatment at cheaper rates. The facilities would be the same but the rates would be cheaper.

The service apartments are well accommodated as they are fully furnished and upholders all the latest facilities and equipment. One of them also come with some additional services like daily house keeping, laundry, catering etc. You can also have your daily dose of entertainment as they also provide a cable TV connection and a broadband internet connection. You can also get a fully equipped kitchen with all the latest facilities with a microwave, refrigerator and all other cooking accessories which will help you in filling up your palate.

The hotels in pune offer you a comfortable and safe stay with a 24/7 security guard where you will get an easy access to the gym and the swimming pool. The prices in the hotel in pune is quite affordable and can cost you anywhere between Rs. 900 per room to an entire apartment per day. The service apartments in pune comes loaded with all that you need and that too at cheaper rates just to make your stay comfortable and safe.
