Spain has some of the most beautiful cities in the world and most have been declared world heritage cities by UNESCO. They are several and below are some of the cities within Spain that are worth visiting under the world heritage category in all of Spain.

San Cristobal: this is a city within Tenerife founded back in the 1497. It was constructed with the aim of serving as a nexus for American and Spanish cultures. This is how it actually got its value to the strong personality that it has. There is just a lot to see including the massive lagoon and do in this city and it is worth checking out while in Spain.

Salamanca: it is found in Castile Leon and is a very popular choice among tourists. The city is rich in history and traditions as well as art and is it indeed a world heritage in Spain. The atmosphere in this city is simply lively and fresh and you will enjoy every minute you spend here. It is most advisable to explore all it has to offer since there is just much to do and see here.

Cordoba: this is another of UNESCO's world heritage city and it is in Andalusia. The historical part of the city is the most amusing as it has hosted different epochs among them Palaeolithic, Turdetanians, Lucan, Seneca and Byzantium not forgetting pre roman. To get the very best from its history, a stroll down the curved secluded squares and narrow streets is advised.

Ibiza Eivissa: it is within the breathtaking Balearic Islands and have some of the best golden sand beaches. The nightlife is one of the major highlights of this city and there is lots of different ways to enjoy the warm clear waters of the coastal city. You will find most amazing and crazy lively nights, clean water and un-spoilt nature not forgetting the warm sun. It is one of the best cities you can be in within Spain.

Toledo: this is a city in Madrid and one of the most luxurious under the World Heritage category. The popularity and uniqueness of this city dates way back in time and it has remained to be a major attraction for many people coming into Spain. You will find traces of different cultures of all who found their way to the beautiful Iberian Peninsula in the city.

Tarragona: it is on the southern part of Catalonia and is a city steaming with great beauty. You will find the museums, towns, architecture, beaches and the history of the city most amazing.
