Shimla Tour Packages-A Vacation Tour by Sandeep Pandey

Article published on January 5th 2012 | Vacations

Winters in India, is the time of celebrations and joy as it brings with it the freshness of new season and the mood of festivity. It is the time when most of the festivals are celebrated; food is enjoyed and the people feel mesmerized with the changing hues of nature. Most of the hill stations in India are in its Northern region of the country in the lap of mighty Himalayas. These hill stations are a unique combination of spiritual sites, religious towns, adventurous opportunities and the freshness of nature.

Among all the hill stations of India, Shimla is the most prominent one and is a sure retreat for the visitors who want an escape from the busy city life. The capital city of Himachal Pradesh, Shimla is one of the most sought after hill stations of Northern India. On Shimla tour Packages visitors come across the beauty of the place which is popularly know as â€œQueen of Hillsâ€•.

Shimla abounds in natural bounty and looks picture perfect. It is blessed with pollution free air, snow covered high rangers of mountains, turbulent rivers, serene lakes, exotic flora and fauna etc that makes Shimla as one of the most sought after tourist destination for Nature lovers. Shimla tour packages unfold a world of natureâ€™s bounty that is perfectly coupled with the charming neo-gothic architecture built during the colonial era by the British colonizers. Every nook and corner of Shimla is magical that is blessed with undulated paths embroidered with lush pine and oak trees, forests that exude fresh crisp mountain air, captivating natural exuberance and Victorian style architecture which is more than enough to compel the visitors to visit this pristinely beautiful place again and again. The over all panoramic beauty of the place can simply make its visitors to fall in love with this Himalayan hill station.

Shimla is full of tourist attractions that are worth visiting during enjoying holidays in Shimla. The Shimla summer festival brings in large number of tourist from far off places to enjoy its picture perfect beauty and serenity. There are local hang out areas, restaurants, shopping arcades on the famous Mall Road making your vacations to Shimla a beautiful experience that you will cherish through out your life. The hilly town also has numerous temples and religious sites like Jakho Temple, Tara Devi Temple, Kali Bari Temple etc that bring in devotees on different occasions. Shimla is also renowned for its adventure sports as well. The city is a home to Asiaâ€™s largest natural ice skating ring. It is heaven for nature lovers, adventure seeker and is a photographerâ€™s paradise. People mainly tour Shimla during the winters to enjoy the beauty of snow fall which is a wondrous event. It will transport the visitors to a fairytale place and is the much awaited event in Shimla. In fact it is simply impossible to describe the beauty of this place in words. You need to tour to Shimla which is a fabulous destination for nature walks, thrilling adventure sports, religious and cultural tours etc. The snowy Shimla tour proves to be a sight worth million bucks.
