The Best Wedding Directory for LA Wedding Planning by [John Francies](#)

Article published on December 7th 2011 | [Weddings](#)

For most couples, announcing the engagement was the easy part. Now comes all the effort put into planning the perfect wedding. For those in the Los Angeles area, finding the reception venue, caterers, florists, DJs and a host of other details can be daunting, but fortunately the best wedding directory for planning just such a Los Angeles wedding is at your fingertips: TheGoodWedding.com

### Fewer Vendor Listings, But Better Choices

Unlike other wedding directories that give you hundreds of vendor listings in a "phone book" fashion, TheGoodWedding.com shows you only the top five vendors in each category and specifically for your budget. From finding the best Los Angeles reception sites and catering to contacting high quality photographers to ordering your wedding cake from one of the finest Los Angeles bakeries, TheGoodWedding.com has just the listings you need.

### Wedding Vendor Listings Are Focused For Your Budget

By narrowing the choices of each category to fit your budget needs (Exclusive, Moderate or Budget), TheGoodWedding.com is an excellent resource for making the smart selections for your wedding. Have you tried finding a Los Angeles Wedding DJ? Or an LA reception site that can handle all your guests with your style of backdrop and ambiance? It is extremely frustrating and time consuming. Fortunately, all of those needs and more can be easily handled by consulting TheGoodWedding.com handpicked and pre-screened directory.

From contacting Los Angeles wedding planners to LA florists and the best So Cal photographers, TheGoodWedding.com will get you started on the right foot to make your wedding plans come true. A last minute rush of unexpected "oops" may add unnecessary anxiety to your perfect day, so be sure to browse all the business categories on the website to make sure that you have everything covered well in advance.

Some of the finest Southern California wedding venues can be found here so you can help make this unforgettable time even more special by choosing a location that adds the right atmosphere and look to your wedding. From beach and waterfront to city hotels and even golf clubs and vineyards, you can't miss with this venue selection.

Not sure if you want a Los Angeles Wedding DJ or perhaps a live Wedding Band? You can go over the great picks on the website that not only offers all the best quality choices, but categorize them by prices as well, so you can be sure that whatever you choose fits within your wedding budget.

### Simple and Easy to Use Website (with Free Wedding Checklist and Planner!)

This clean, simple, easy to use website can not only help you prepare for your wedding day, it also offers a free, Complete Wedding Checklist and Planner Download so you can properly track and coordinate all of your wedding needs, from finding the perfect Southern California wedding reception site to buying the tastiest wedding cake. The best way to alleviate the stress of planning a wedding is having all the information at your fingertips and planning all the details well in advance.

At TheGoodWedding.com you can find everything that you need quickly and efficiently, thanks to the well-planned out website. You have nothing to lose but time if you don't check them out sooner rather than later!
