Wedding Dance Lessons a Must for the DDay by [Julia Roger](#)

Article published on March 26th 2012 | [Weddings](#)

Wedding is a memorable day in one's life. It is the day when one loses the status of bachelorhood and gets a new status as "married". The event is made special, lovely, and wonderful for the couple as well as for the guests who attend the wedding.

First dance in the wedding for the couple is an important event to be remembered throughout their life. First dance is performed by the married couple together in front of friends and family. Many love songs with meaningful lyrics are chosen for the "Dance", which makes the evening romantic, and the guests get into cheery, romantic mood.

First dance songs are chosen such that the song means a lot for both the bride and the bridegroom and describes the love one has for the other. Many soft love songs with soulful music and wonderful lyrics can be played for the first dance songs. There are many websites listing out numerous song collections to be played on the D-day dance.

London is a culturally diverse city. Wedding dance lessons in London is the latest trend being popularized among young, to be married couples. Many young couples, who are new to dancing or are beginners, opt to taking wedding dance lessons london. There are many dance classes throughout London, which give coaching for amateur couples and beginners to dance with grace on the D-day.

The dance classes and coaching of the dance teacher instills confidence to dance in front of family and friends. Wedding dance steps are based on the songs chosen for the event. The songs can be fast beat song or a slow romantic number. The steps are chosen based on one's natural body rhythm to dance, comfort ability of doing certain steps individually and as a pair. The dancing lessons can be conducted either at a dance studio or at one's home. Some of the dancing styles include free style dancing, salsa, swing, hip hop, ballroom dancing, Bollywood dancing, Latin dances like tango, rumba etc. One can go in for learning dance lessons for special events like hen party, bridal party, wedding night, prom night etc. Wedding dance lessons are necessary to dance perfectly with Alan on the most memorable day in one's life.
