Wedding Planning Ideas in Mumbai by [Aman Kumar](#)

Article published on February 21st 2012 | [Weddings](#)

Mumbai is one of the heart cities of India. It is the city of big diversities and a proper melting pot of citizens and cultures. Planning a wedding ceremony in Mumbai can be a cool or a great experience, depending on how you arrange at it, since the lot of options here are unlimited. This active city has so much to offer in terms of cooking, entertainment, talent, services and many more. It is a real metropolitan city that people used to say is not possible to leave, once you are here!

It will be very attractive if you will be thinking about wedding planning in Mumbai. Still Mumbai-cites who have lived in the city all their lives, find it difficult to search and select the perfect sources and suppliers for their wedding, not for the lack of choice but just way too many! If you are planning a wedding in Mumbai, you are lucky enough to be bounded by some of the best planning talent in the world. This wonderful city is one the main biggest business cities of India, which means that some of the best vendors and wedding service providers have set up shop here and provide their wedding services across the country. Once you chose a perfect wedding planner in Mumbai, a whole new world of top scratch adapted services, venues, vendors and more will open up to you.

As we know in Mumbai, there are a no of famed five star hotels which look is very excellent and it show its beauty. With a ton of usual wedding venue options spread across the city, most weddings here take place in high ending hotels, ball rooms and open lawns. But why limit yourself to just the norm in this huge, kaleidoscope of a city, with the help of a wedding planner in Mumbai you will be able to source and explore some of the more off-beat and unique wedding locations within the city, that will surprise one and all!

So if you are planning a wedding in Mumbai, there's one huge factor that comes into the play - the super fast speed of the city. Mumbai has become one of the busiest cities in India and no one has time to devote hours and days to wedding planning anymore. Planning a wedding in Mumbai alone or with minimal support can be extremely stressful and chaotic, draining many a bride to be well before their big day. Couple that schedules and long commutes or travel it can be a failure. Hiring a wedding planner in Mumbai will not only take away the stress but also let you in on some of the best deals in the city!
